

Charleston Cup Athlete-Parent Information Sheet

Thank you for your entry to the 2024 Charleston Cup. We are excited at the opportunity to host our 35th Anniversary meet.

Competition is at the North Charleston Convention Center. There is a \$10 per day parking fee. The Convention Center building is easily accessible from the parking garage and parking lots C and E. Most of the host hotels are within walking distance to the competition site and also offer shuttle service to the Convention Center. There be two doors that will be used for entry into the Exhibit Halls and one door for exiting the Exhibit Halls.

Important Parent/Athlete Information: Gymnast Check-In and Admissions:

We encourage gymnasts and parents to arrive to the meet site at least 10-15 minutes prior to the official start of their session especially for those sessions first thing in the morning. Entry into the Convention Center will be at 6:45AM. The doors to the Exhibit Halls will not open until 7:15 AM each morning. Gymnasts will need to check in at the athlete check in table and get their official credentials which will give them access to the exhibit hall throughout the weekend.

Important Event Finals

We are so excited to be able to once again offer our event finals session for levels 6-10 and Xcel Gold, Platinum, Diamond/Sapphire. Event finals sessions will take place on Sunday morning beginning at 11:00 AM. The event finals session celebrates the top 6 athletes per event per level. If your child qualifies to event finals you will need to purchase a ticket for admission. The online ticketing system will be available both Friday and Saturday if you find you need to purchase an admission ticket. The admissions help to offset the cost of the additional cost of judging and awards for the second competition. Event finals have their own special set of awards.

Qualification to Event Finals – Please see Event Finals Qualification Information Sheet that is included. If a gymnast qualifies to event finals on Friday or Saturday the coach must let us know and submit an event finals confirmation form prior to the end of their session. Please help your child by letting them know before the competition whether your child will or will not be participating in event finals. If the Head table is not informed prior to the end of the session, then we will go to the next highest score for that event.

Important Awards Ceremony:

All awards will be presented inside the competition gym. You will not need to change location. At the completion of each session, we ask that all gymnasts report immediately to the staging area on the floor exercise mat for the awards ceremonies. Please do not leave the competition floor as we will begin the awards immediately after the scores are in and printed.

Important Commemorative Leotards

Each athlete that participates in the 2024 Charleston Cup will receive a commemorative Charleston Cup Leotard by Ozone. Because these were custom ordered based on the sizes that were sent to us by the coach or the team coordinator, we are unable to exchange them for different size. We ask that all gymnasts that qualify to event finals wear their commemorative leotard for the competition.
